

Umpqua Ranch Cooperative Community Rules

Welcome to our community! We wish to provide a pleasant, attractive, and affordable place for residents to live. All communities need some basic rules to accomplish this goal. We hope these rules are not unnecessarily restrictive, but provide a safe and tranquil community. The future value of your home rests on our community's appearance and reputation in the region. We hope our rules facilitate these goals.

These rules apply to all member home owners and all other persons living in the home, as well as guests. They apply equally to Umpqua Ranch Cooperative ("the Cooperative") members and non-members. For brevity, we have used "residents" to refer to all of these persons. These rules may be amended from time to time by the Cooperative members as provided in the Umpqua Ranch Cooperative Bylaws.

1. General

Residents may at any time request clarification or interpretation of these rules by the Board of Directors of the Cooperative ("the Board").

- a. Any requests of the Board, including requests for approval of an exception to these rules, must be submitted in writing to the Secretary of the Board at least five (5) days prior to a scheduled Board meeting.
- b. Residents with disabilities have the right to request waivers or modifications of rules if required as a reasonable accommodation. The Board may establish by resolution additional forms and procedures to be followed in making such request. The Board and residents must keep a copy of such agreement.
- c. Any approval or permission granted by the Board to a resident or request of the Board to a resident must be in writing.
- d. Notice to the resident, when required by the rules, must be in writing and is effective when received. Receipt is defined as personal delivery to a person over 18 in the household or three (3) days from the date of mailing by first class United States mail. Notices may be posted on the home but must also be mailed to be effective.
- e. Homes are to be owner occupied, and occupancy is limited to the persons named in the Space Lease. Rentals are not permitted. Occupancy shall not exceed 2 persons per bedroom. Any exceptions require approval by the Board.

2. Conduct

We strive to build a safe and tranquil community. Due to the close proximity in which we live, we have basic ground rules to maintain the peace and security of all residents.

- a.** All residents are responsible for the actions of their guests and guest's children.
- b.** Residents must conduct themselves in a reasonable manner at all times, and must not disrupt, threaten or harass other residents.
- c.** Public intoxication from drugs or alcohol is prohibited.
- d.** This is a drug free community. Use, possession, or distribution of illegal drugs is prohibited and is cause for immediate eviction, as provided by Oregon law.
- e.** No commercial or in-home businesses are allowed, including daycare, with the exception of non-physical internet commerce. No visible signage or other advertising is allowed.
- f.** Noise levels are to be at a moderate level at all times. Quiet hours are 10:00 P.M. until 8:00 AM.
- g.** Vandalism or graffiti to a resident's home or space must be immediately repaired or removed by the Resident of the space. If not repaired or removed within 72 hours, the Board may repair or remove it after providing 24 hours notice to the resident and the cost will be charged to the Resident.
- h.** Discharge of firearms (including BB, air and paintball guns), archery equipment, and all other weapons is strictly prohibited.
- i.** Any person or persons evicted from the community for cause shall not be permitted to return, with the exception of short term visitations by written Board approval.
- j.** Displaying a "For Sale" sign on any parked vehicle in a common area is prohibited.
- l.** Any guest staying for more than fourteen (14) days who wishes to remain in the community must qualify as a household occupant, unless the guest is a caregiver for a Resident with a disability as defined by law. In order to qualify as a household occupant, they must first apply to the Board and meet the occupancy requirements set in section 3.1 of the Bylaws.

3. Vehicles

We strive to provide a safe, clean, and orderly community.

- a.** The speed limit within the community is five (5) miles per hour.
- b.** At all times vehicles must be operated in a careful manner in the community so as to avoid

injury to persons and property.

- c. Motorcycles and motor scooters that are licensed and street legal are allowed for ingress and egress to the Park. Motorized trail bikes, go-carts, and all-terrain vehicles are not to be used in the community. Engine noise should be kept at moderate level and unnecessary revving of engines is prohibited.
- d. Each resident's space contains parking spaces. Residents are strongly encouraged to use their allotted parking spaces in lieu of parking in the street. Parking is recommended in carports or driveways and not in yards. Vehicles parked off-street shall not block the street. Parked vehicles shall not block entryways, driveways or access for emergency vehicles. Short-term street parking is permitted. Each resident shall receive a long-term and/or an overnight parking permit to display on their dashboard (s), or on the dashboard of their visitor (s), to help identify vehicles that belong in the community. Residents and visitors must be aware that emergency vehicle access always takes priority.
- e. Residents shall be responsible for the removal of stored vehicles. A stored vehicle is defined as a (vehicle) that does not have a current license tag and/or is inoperable, or that is not used or intended to be used on a regular basis or within 2 weeks. Vehicles left in the driveway, or designated parking area, by residents taking an extended vacation or away from residence for an extended period are not considered "stored vehicles", if the Board is notified in advance of the situation and has approved it.
- f. Equipment, such as boats, trailers, ATV's, etc., shall not be stored in driveways. These items may be parked in the RV storage area of the community, or a resident may request an exemption from the Board. The Board may grant a resident written permission to keep such equipment on their space provided that it is not a hindrance to traffic. Equipment must be kept in good repair and must not block a neighbor's view. A resident may also request permission from the Board to build an additional storage shed for equipment storage so long as the shed meets the requirements laid out in Section 5, Subsection k. of these Community Rules. Occupancy in a pop-up trailer or a RV that is granted permission to be kept on a space should not exceed the guest provision indicated in Section 2, Subsection l. of these Community Rules.
- g. Major repair of vehicles may be done within the community on a reasonable timeline, but not more than six (6) months. Residents are required to notify the Board in writing prior to beginning the repair and to provide an estimate of the length of time the repair is estimated to take. A major repair is defined as the dismantling of a vehicle, parts of an engine or drive train, painting, body work requiring machine shop tools or the lifting of any wheel off the ground for the purpose of repair other than repair of a flat tire. Minor repairs and maintenance are acceptable without Board notice.
- h. No motor oil or any caustic or non-biodegradable substance shall be deposited in any street, sewer system, or on the ground within the Park. A Resident will be charged for any damages caused by such materials.

- i. Non-operational vehicles and vehicles that are not properly maintained (including those that are not currently licensed), or are in a condition that detracts from the appearance of the Park, are not permitted. Vehicles that meet this description, as determined by the Board, may be towed at the expense of the owner. Notice shall be given of the intent to tow the vehicle 72 hours prior to towing. If the vehicle owner is unknown, the notice shall be placed in a visible place on the vehicle to be towed.
- j. A resident with a recreational vehicle may apply to the Board to lease a RV space.

4. Pets

We recognize the importance of pets to many Residents. However, not everyone likes the same pets. Recognizing the close proximity in which we live, we intend that the following rules balance the interests of all residents regarding pets and create a healthy environment for all. We also strongly encourage residents to spay, neuter, and vaccinate animals.
